

Double Your Impact

Employer Matching Gifts Made Easy

Many companies match employee donations to nonprofits, often dollar-for-dollar. That means a \$50 gift from you can become \$100 for ThriveTogether — at no extra cost.

1

Give first

Donate to ThriveTogether at thethrivetogether.com/donate. Keep your email receipt — you'll need it for the match.

2

Ask your employer

Contact your HR or benefits team and ask about your company's matching gift program. Search "Benevity," "YourCause," or "Millie" if they use a platform.

3

Submit the match

Submit ThriveTogether as the recipient, then forward the confirmation to thethrivetogetherdayton@gmail.com so we can complete the paperwork.
